Remarks:

a) According to the EMC Directive for „electromagnetic compatibility of accessories" of November 1992, law gazette part I Z5702A and the a.m. EC regulations, the following elementary components do not require conformity with the EMC-Directive:

- Heavy Duty Connectors, Plugs, Sockets, Mechanical Switches – (our product line)

b) According to the „Machinery Directives" it is clarified that electrotechnical products which are parts or components of machineries have to be in conformity with the „Low Voltage Directives" as stated above but not with the „Machinery Directives".
